### From the Principal

What a great start to the year we have had at Boddington DHS! Students returned to school two weeks ago with smiles on their faces, bags full of stationary items and a positive attitude to learning. I was impressed to see all the students in uniform and there was a real buzz around the school as we kicked off 2019. This positive start is a real testament to the parents of our students and evidence of what a great school community we have at Boddington DHS. I would also like to acknowledge the school staff, whose professionalism, enthusiasm and commitment in the days leading up to start of the term has ensured a smooth start to the year.

This year we have made a few changes to how we start our mornings at Boddington DHS. Our secondary students now have a timetabled Form Class, first thing every morning for 20 minutes. This time is used to develop and support student's skills in the areas of organisation, time management, self-management and goal setting. Form teachers are also a great point of contact for parents and carers who have any concerns or queries regarding their child. This year the Form Teachers are:

Year 7 – Ms Susan Cashmore

Year 8 – Mrs Jason Hoffman

Year 9/10 – Ms Jessica Lewis

Our primary students now participate in 20 minutes of Daily Fitness, first thing every morning (except Monday). Fitness sessions for this term are skipping, boot camp, circuit, relays, walking and running. On Fridays ALL the primary students do whole school dance in the undercover area. Parents and community members are welcome to stay and join us on a Friday morning. It is a great way to start the day!

I am really looking forward to the year ahead and building on all the great things that happened last year. It is an exciting time for us as we begin our journey as an Independent Public School, working together with our community, to ensure success for all students at Boddington DHS.
