► From the Principal

I was very impressed with the efforts of our students at our recent Faction Cross Country event. Long distance running is a challenging aerobic event that requires stamina as well as mental strength. This year the Cross Country was held at the Boddington Golf Course and student had a 'true' cross country experience. Particularly when you combine that with intermittent rain showers! The total distance and number of laps varied for each age group.

10 years and under = 2 km

13 years and under = 3km

16 years and under = 4km

I would like to congratulate every student who completed the course and commend them for their ability to persevere and strive towards achieving a goal.

Last Friday 21 June we had the Interschool Cross Country event which was held in Kojonup. Those students who placed in the Faction Cross Country represented the school at the interschool event. Boddington DHS placed 3rd overall with some students winning places in their division. The teachers who attended the carnival commented on the positive attitude and effort shown by the students from Boddington DHS who represented their school with pride.
