

Tuesday 6 August 2019

Dear Parents and Carers,

As you may be aware, the school has been engaged in a process to decide on a School Motto that is representative of the students we teach and the community we serve. All parents, staff and students were asked to suggest ideas for a school motto. These suggestions were then shortlisted by the School Board and families were asked to vote on their preferred motto. The original school motto, We Foster Growth, was also included in the vote. The results of the vote have been calculated and the results are published below.

I am pleased to announce that the Boddington District High School motto is:
Learn Grow Succeed

We will now be engaging the services of a graphic designer to incorporate this motto within our school logo. Thank you to all those families who participated in the school motto survey.

Kind regards

Danielle Roache
Principal
