STUDENT PERSONAL ITEMS FOR 2020

We are pleased that the P & C is again supplying the Student Items for 2020. We have spent a lot of time researching and investigating products for this year in conjunction with the staff to ensure that items are relevant to the daily use requirements. Below is some information regarding the items for 2020.

PARENTS PLEASE SUPPLY

SECONDARY –1 x Art Shirt and a Change of Clothing for Phys Ed,

HOMEWORK CHAIR COVER AND EARPHONES – If your child already has these items, they are able to use them next year – there is no need to order these items again (this also applies to calculators and other non-consumable stationery items)

CALCULATORS – We have adjusted the model so that the children will use the basic model for Years 5 and 6, then the more complex model in secondary years

The orders will be ready for collection before the end of the school year.

Payment and orders are STRICTLY due to be handed in by **9am on the 16 October 2019 (Term 4 Week 1)** as we will be ordering the following morning, however, should you need to make a confidential payment plan please contact Natalie Griffiths.

Thank you for your support

Yours sincerely

Natalie Griffiths
