### ► From the Principal

It is hard to describe, using words, the amazing experience that was had by students, staff, parents and community members at our Colour Explosion Fun Run on Friday afternoon! There was colour, water, obstacles, music, more colour, more water, hay bales, slippery dip, more colour and more water! There was laughter, running, screams of joy, dancing, rolling, more screaming, more running and plenty of VERY happy, colourful children and adults. It truly was a sensational school event that will be remembered for years to come.

Not only did this event bring fun, exercise and entertainment to all involved – it also raised a HUGE amount of funds (over \$3000) to go towards our playground shade structure. A very BIG CONGRATULATIONS to the P&C for organising and running this event – you do an amazing job for our students. Thank you also to the parents, families and community members that supported this cause with donations and help on the day! Well done to everyone!!!

*Danielle Roache*

Principal
