Student Free Day

Correct at time of printing

From the Principal

At Boddington DHS we are committed to having a positive approach to the way we educate our students. We have implemented Positive Behaviour Support (PBS) which is a whole school framework that defines, teaches and supports appropriate student behaviours. As a school we have 3 core values which we would like to see students display throughout the school. They are:

Considerate – Be caring and mindful of others

Strive – Do your best

Responsible – Do what is expected and own your actions

Pictured below is the PBS logo that was designed by students and staff to represent our school expectations and the community in which we live.

The leaves on the tree represent the different elements of our community and school.

The branches of the tree represent our three expectations and that all three branches are needed for the tree to grow strong.

The tree, sitting on the hills of Boddington, reminds us that through working together and learning in a supportive and inclusive environment, all students can learn, grow and succeed.

When students are demonstrating positive behaviour they receive Dojo Reward points. These points build up and students receive rewards for their behaviour. It might be an individual, whole class or whole school reward. In the third week of this term we reached a whole school target of 16 000 Dojo points. The reward for this was a **Circus Challenge Day**. The whole school attended a Circus Show which showcased some amazing skills, tricks and stunts. This was then followed by class workshops where students got to develop their own circus skills and learn the tricks of the trade. Congratulations to all students for their great behaviour! Our next target is 28 000 points and our reward will be a Crazy Dress Day.

BDHS POSITIVE BEHAVIOUR EXPECTATIONS

Strive

Do your best.

Considerate

Be caring and mindful of others.

Responsible

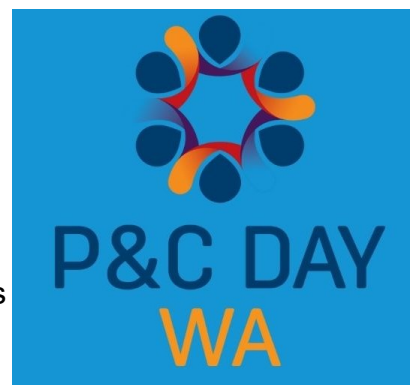

Do what is expected and own your actions.

P&C DAY WA

Friday, 19 May 2023 is P&C Day, which falls within National Volunteers Week, and gives us the opportunity to celebrate and thank our P&C Members and volunteers for all their hard work and contributions to the education of our students. The P&C at Boddington DHS work hard to raise money for improvements to our school environment, provide services for families, co-ordinate events for students and strengthen the connection between our school and the community. We are fortunate at Boddington DHS to have a committed group of volunteers who give up their time to enhance the learning experiences for ALL students and we will be thanking and celebrating our P&C with an Afternoon Tea at the school on Thursday, 18 May 2023.

Over the years the P&C have supported the school and the community through:

- Running the school canteen
- Coordinating the school uniform shop
- Mother's & Father's Day Stalls
- Catering for school events & World Teachers Day
- Easter Raffles
- Cookie Dough, Picture Plate, Spring Bulb fundraisers
- Lunch Orders and Cake Stalls at Swimming and Athletics Carnivals
- Colour Explosion Fun Run

A BIG thank you to the P&C for running a Mother's Day Stall at the school last Wednesday. Students of all ages were really excited and pleased to be able to purchase gifts for their mothers and grandmothers. We hope that all the mums in our community had a great weekend!
