School Star

### From the Principal

Our school motto, **Learn, Grow, Succeed** is more than just words under a logo at Boddington DHS. Our priority areas for improvement are driven by our motto, which sits at the heart of our vision and commitment to our students, families and wider community. One of our current priority areas is Succeed: Future Focused and we are striving to build on students' strengths and provide opportunities for meaningful learning experiences within the school, the local area and beyond. Below are some of the ways in which we have been doing this over the last few weeks.

### WEST COAST EAGLES

Last week the Year 5, 6 and 8 students had the chance to have a chat with some West Coast Eagles players via video link. The students asked lots of questions and the players spoke about their upbringing, what got them into footy, how they have faced hardships and their memorable moments.

### BDHS POSITIVE BEHAVIOUR EXPECTATIONS

**Strive**

Do your best.

**Considerate**

Be caring and mindful of others.

**Responsible**

Do what is expected and own your actions.

## YEAR 9/10 OPTIONS CLASS'S

The Year 9/10 students in Mr Batt's D&T class had the opportunity to experience and learn about welding under the supervision of a qualified boilermaker. We hope to schedule further opportunities for students to practice welding throughout the semester. Thank you to Brendan from Integral Steel for volunteering to work with our students.

The Year 9/10 students in Ms Lock's Health class learnt how to make a Lemon Body Scrub using easily sourced natural ingredients. The students really enjoyed the practical experience of creating a beauty product that they could take home and use. They are looking forward to the coming weeks when they will be making lip balm and learning yoga.

## GOLF

### *A Message From Megan Henry (Golf Australia Community Instructor)*

*Thank you for a wonderful four weeks of Golf in Schools with the talented students from Years 3-6. We have had so much fun and the students have not only enjoyed Golf, learnt new skills but also developed the wonderful Life Skills of courtesy, kindness, resilience, honesty, encouragement, team work and so much more.*

*Thanks again for a wonderful 4 x week Golf in Schools program in Boddington. It has been lovely working with your talented students. They have been so delightful. An absolute credit to you, your teachers and school.*
