BDHS POSITIVE BEHAVIOUR EXPECTATIONS

Strive

Do your best.

Considerate

Be caring and mindful of others.

Responsible

Do what is expected and own your actions.

From the Principal

Thank you to all parents and community members who purchased items and supported our Book Fair which finished last week. Every book purchased earns Scholastic credit vouchers for our school which enables us to purchase more items for our library. This year we earned approximately \$1,550 to re-invest in our Library, which is fantastic!! A HUGE thank you to Mrs Sharon Bell who co-ordinates this event, and to Mrs Jincy Josh and Quinn who assisted Mrs Bell.

I would also like to thank those community members who supported our students and the school throughout the Rodeo weekend. It was great to see so many people watching the Choir performance at the Friday Night Festival and visiting the Town Hall to have a look at the school art display or buying more raffle tickets to support the P&C. I would like to thank and acknowledge Mrs Melissa Millar, Ms Tenille Roberts and Mrs Tammy Ventris for leading and organising the choir performance, and Mrs Sharon Bell who coordinated the creation of the school art display in order to promote to the community and visitors to the town all the wonderful things that are happening at our school.

P&C RAFFLE

The P&C would like to thank the Boddington community and local businesses for your support in purchasing tickets in our raffle and generosity with donations we received. The raffle was a massive success, we sold 2855 tickets and were able to raise \$14,275. This has helped the P&C immensely and the nature playground project has been able to be completed.

Congratulations to the prize winners!

1st - \$1850 Funky Money Climbing frame voucher – Vicki Bowring

2nd - \$1000 Crown Voucher – Glenys Fawcett

3rd - BBQ with \$500 Coles Voucher – SAS Project Services

4th - \$800 local vouchers – Linda Britza

Thank you to our Sponsors

LEARNING OUTSIDE OF SCHOOL

We have had, and still have, several class incursion and excursions happening this term that provide our students with external learning experiences that enhance and expand their learning. This is a focus area within our Business Plan that targets student improvement under our 'Grow' priority area. These experiences include:

- PP & Year 1 Classes – Play in The Past Incursion
- Year 4 Class – The Maritime Museum
- Year 5 & 6 Classes – Perth Mint & Perth Museum
- Year 3 Class – Mandurah Giants
- Year 2 and 2/3 Classes – Scitech,
- Year 7 & 8 Classes– Science, Technology and Engineering 3 day Camp
- Year 9 & 10 Classes – Careers 3 day Camp

It has been great to provide these additional learning opportunities for our students, who have been very enthusiastic and engaged throughout them. Thank you to the staff at the school who organise, coordinate and enable these opportunities. We are fortunate to have such a dedicated group of teachers and allied professionals working at Boddington DHS.
