BDHS POSITIVE BEHAVIOUR EXPECTATIONS

Strive

Do your best.

Considerate

Be caring and mindful of others.

Responsible

Do what is expected and own your actions.

From the Principal

Swimming lessons for students in Year 3 to Year 6 finished last week on Friday, 23 February and students were really motivated and engaged when participating in their lessons. Learning to swim is such a valuable skill and it is great that the school, in conjunction with the Department of Education, is able to provide this service to students. We are also very fortunate at Boddington DHS to have a close working relationship with the Boddington Shire who assisted the school in reducing the cost of these lessons for families and ensure all students could participate.

We are now busily preparing for the Faction Swimming Carnival which is on Friday, 8 March. All community members are welcome to attend our carnival and I look forward to seeing parents, carers and family members at the carnival cheering on the students.

POSITIVE BEHAVIOUR AT BODDINGTON DHS

At Boddington DHS we are committed to having a positive approach to the way we educate our students. We have implemented Positive Behaviour Support (PBS) which is a whole school framework that defines, teaches and supports appropriate student behaviours. As a school we have 3 core values which we would like to see students display throughout the school. They are:

- Considerate – Be caring and mindful of others
- Strive – Do your best
- Responsible – Do what is expected and own your actions

Pictured below is the PBS logo that was designed by students and staff to represent our school expectations and the community in which we live.

The leaves on the tree represent the different elements of our community and school.

The branches of the tree represent our three expectations and that all three branches are needed for the tree to grow strong.

The tree, sitting on the hills of Boddington, reminds us that through working together and learning in a supportive and inclusive environment, all students can learn, grow and succeed.

When students are demonstrating positive behaviour they receive Dojo Reward points. These points build up and students receive rewards for their behaviour. It might be an individual, whole class or whole school reward. Our first target this term was 4 000 Dojo point and the reward for this was VIP Recess, where students get an extra 15 minutes play time with extra activities/equipment out for their use. Congratulations to all students for their great behaviour! Our next target is 15 000 points and our reward will be a Crazy Dress Day!

PRE PRIMARY - THUMB BODIES

In Pre-Primary we have been learning all about what makes us unique, individual and special. Did you know, that no two fingerprints are identical? Even with identical twins, our finger prints are unique! We integrated this knowledge and designed our very own characters out of our thumb prints, to feature on a Valentines keepsake for our families; "Thumb Bodies". Aren't these creations just gorgeous!
