## From the Principal

Last Friday we had our Faction Swimming Carnival at the town pool, which was a great event. It was a warm day and students had a good time participating and competing in a range of events. It was pleasing to see the students striving and doing their best to earn points for their faction, plus supporting and encouraging each other throughout the day. The outright winners on the day were Hotham on 638 points. Closely followed by Crossman with 587 points then Bannister with 545 points. The Secondary shield winners were Crossman (Green) Faction. The primary shield was won by Hotham (Blue) Faction. A big thankyou to the parents and family members that came down to the pool to cheer on the students and help out with timing events. Next week we have our Interschool Swimming Carnival and we look forward to hosting the carnival here in Boddington and competing against Kojonup, Wagin and Boyup Brook.

## OUTDOOR LEARNING

Last week we had our new outdoor tables installed in the area in between the Crossman and Marradong block. This area can be easily accessed by students in Year 3 to Year 6, as well as those students doing science and music. This outside classroom area gives our students another great learning space, which will be especially handy when they are learning to play the recorder in music!
