From the Principal

On Wednesday 24 April we held our ANZAC Day Commemorative Service at the school. Thank you to all parents and family members that took part in our service. I would like to commend the Student Leaders and the primary students that hosted the service. I would also like to acknowledge all the students at the school for the positive and respectful way in which they conducted themselves during the service. They all represented their school with pride.

YEAR 5 SCIENCE

The Year 5 students have been learning about the behaviour of light through transparent, translucent and opaque objects in science. They made a discovery that parts of humans are opaque (light can't pass through) but thinner skin, like fingers and mouths, are translucent (light can partially pass through).

BDHS POSITIVE BEHAVIOUR EXPECTATIONS

Strive

Do your best.

Considerate

Be caring and mindful of others.

Responsible

Do what is expected and own
your actions.

NATIONAL ROAD SAFETY WEEK

This week is National Road Safety Week and as part of this, the Pre-primary to Year 6 students at the school participated in a free incursion on Monday presented by RAC to increase their awareness of road safety. This was organised by the Shire of Boddington, and we appreciate their support in educating our children about this important issue. On Friday the students will have the opportunity to participate in Walk to School Safely Day hosted by the Shire and enjoy a free breakfast before school! We look forward to participating in this community event.
