EASTER HAT PARADE

Our annual Easter Hat Parade was a great success again this year! The students paraded outside, following a trail that took them around the school and past other classrooms where they had plenty of opportunity to showcase their amazing creations. Parents were able to find a space outside on the trail where they could watch the parade. There were, once again, some amazing creations and it was a great way to celebrate the end of the term.

EASTER RAFFLE

We also drew out the winning tickets for the P&C Easter Raffle, which are published below. The P&C were amazed by the number of donations received and there were 25 prizes in total! A BIG thank you to those families and community members that bought and sold raffle tickets and donated items for the P&C Easter Raffle. A total of \$2,237 was raised to go towards replacing the junior primary playground at the school.

THANK YOU!

As we enjoy our holiday break, I would like to take this opportunity to thank all the staff, parents and community for their support of our school during the term. It has been a busy start to the year, but it has been great to be able to host carnivals and assemblies, participate in swimming lessons and run school events that enhance the learning experience of our students throughout the term. I hope all students, staff and families have a safe holiday and stay well. I look forward to seeing everyone again next term.
