From the Principal

It is with great excitement and gratitude that I introduce myself as the new Principal of Boddington District High School (in Danielle Roaches absence). I feel incredibly blessed to take on the leadership of such a vibrant and welcoming school community. Since my arrival, I have been warmly embraced by the dedicated staff, enthusiastic students, and supportive families that make this school so special. Thank you all for your warm welcome.

On Friday, 2nd May, Boddington District High School held its ANZAC Day commemorative service. I would like to extend a heartfelt thank you to the student leaders and the primary students who hosted the service with such grace and dignity. It was also wonderful to hear all students conducting themselves in a positive and respectful manner, paying their respects to the servicemen and women who have sacrificed so much. A special thank you to the parents and community members who joined us, reinforcing the strong community spirit we value so highly here at Boddington District High School.

Additionally, it was heartwarming to see all the mothers in our school community acknowledged through the Mother's Day activities and stall. The joy and appreciation shared by the children and their mothers was a beautiful reminder of the importance of family and connection within our school.

Thank you once again for the warm welcome. I look forward to continuing to work alongside you all to foster a supportive and thriving learning environment for our students.
