BDHS POSITIVE BEHAVIOUR EXPECTATIONS

Strive

Do your best.

Considerate

Be caring and mindful of others.

Responsible

Do what is expected and own your actions.

► From the Principal

Boddington District High School Celebrates a Vibrant and Impactful Term 2.

Boddington District High School has wrapped up a vibrant and event-filled Term 2, marked by student achievement, community connection, and meaningful learning beyond the classroom.

Early in the term, the school held a moving **ANZAC Day service**, led by student leaders and primary students. The respectful ceremony was a proud display of the school's values in action, and it was wonderful to see parents and community members join in the commemoration.

In May, students wore purple and raised **\$273.50 for the Starlight Foundation**, thanks to the initiative of student leader Cassius. This student-led fundraising effort exemplified the compassion and leadership being nurtured at the school.

A highlight for senior students was a **careers excursion to South32's Boddington Bauxite Mine**. Students explored career pathways in the resources sector and learned about sustainability and workforce opportunities - bridging classroom learning with real-world applications.

Environmental learning continued with the **Year 6 Plant Out excursion**, where students teamed up with volunteers to plant over **2,000 native seedlings** near Blue Gum Park. This event, supported by local organisations including Newmont, South32, PHCC, and the Lions Club, fostered hands-on environmental stewardship and community engagement.

The **National Simultaneous Storytime** united students through the shared reading of *The Truck Cat*, sparking conversations about belonging and resilience. This celebration of literacy also underscored the power of storytelling to connect and inspire.

Across the school, positive behaviour was on display with students reaching a remarkable milestone of **25,000 dojo points**, rewarded with a fun-filled **whole-school PJ Day**. Assemblies throughout the term celebrated individual and group achievements, showcasing student voice, leadership, and learning.

Sport and wellbeing were also in focus. The **Faction Cross Country** at Boddington Golf Club brought the community together in support of student participation and perseverance. In classrooms, the Smiling Minds program supported students in developing emotional awareness and resilience through the theme "Recognising Emotions."

The term concluded with a **Kindy to Year 2 incursion** featuring native Australian animals, including a koala, snakes, and a bobtail lizard. This hands-on experience captured the curiosity and wonder of our youngest learners and tied beautifully into their animal studies.

With thanks to the dedication of staff, families, student leaders, and community partners, Term 2 at Boddington DHS has been a celebration of learning, connection, and community. We look forward to an equally engaging Term 3.
