From the Principal

School's Back!

It's wonderful to see our students return from the holidays full of energy, smiles, and stories to share. Judging by the excitement in classrooms and the playground, the break provided just the right mix of rest, play, and time with loved ones.

There's a real buzz around the school as students dive back into learning, reconnect with friends, and embrace the term ahead. It's a joy to welcome everyone back—refreshed, recharged, and ready to go!

We're also excited to welcome new and returning members to our school community this term:

- **Mr Steven Cook – Wellbeing Coordinator:** Steven joins us to lead wellbeing initiatives across the school, supporting student resilience, mental health, and a positive school culture.
- **Ms Jincy Josh – Home Economics Assistant:** We're pleased to welcome Jincy to support our Home Economics program.
- **Ms Olivia Sullivan – Numeracy Intervention:** Olivia returns this term, working on Wednesdays to support students needing additional help in numeracy, and on Thursdays for K–Year 2 Physical Education.
- **Ms Zoe Mottershead – Pre-primary:** Zoe joins our early childhood team, working with Pre-primary students each Wednesday, and continuing her work with Year 6 students on Thursdays.

Please join me in welcoming (or welcoming back) these wonderful educators!
