From the Principal

BOOK WEEK 2025 - A CELEBRATION OF READING!

What an incredible week, week 5 has been at Boddington DHS as we celebrated Book Week 2025! A huge thank you to Mrs Bell, whose passion and dedication once again made this event one of the highlights of our school year.

The Library was a hive of activity all week, with students enthusiastically taking part in a variety of fun, book-themed events. The excitement reached its peak on Wednesday, 20th August, during our much-anticipated Book Week Parade. Students amazed us with their imaginative costumes, dressing up as their favourite book characters and proudly showcasing them to the school community. Not to be left out, our staff also joined in, bringing beloved literary characters to life!

It was a joyful day filled with colour, creativity, and a shared love of reading.

This year, Mrs Bell also organised a special fundraiser raffle, with proceeds going towards supporting literacy initiatives for Indigenous children in remote communities, including Yarrabah in Far North Queensland. Congratulations to Levi, our lucky raffle winner!

Once again, we offer our heartfelt thanks to Mrs Bell for her tireless efforts and incredible commitment to making Book Week such a magical and meaningful experience for all.

BDHS POSITIVE BEHAVIOUR EXPECTATIONS

Strive

Do your best.

Considerate

Be caring and mindful of others.

Responsible

Do what is expected and own your actions.

CAREERS EXPO OPENS DOORS FOR LOCAL STUDENTS

The recent Careers Expo, hosted by the Shire of Boddington, gave nearly 400 students from the wheatbelt a valuable glimpse into life beyond school.

Students from Boddington District High School, Years 7 to 10, attended the event to explore future study and career pathways. With over 40 interactive stalls on site, they connected with industry professionals, training providers, universities, and local employers to discover the opportunities available in our region.

The expo featured hands-on activities, career chats, and plenty of time for students to ask questions, gather information, and get inspired about what comes next—whether that's university, a trade, an apprenticeship, or entering the workforce. The event also supported their current career education at school.

Stalls covered a wide range of industries, including:

- **Trades, Engineering & Logistics** – perfect for problem-solvers
- **Construction, Automotive & Horticulture** – for those who enjoy practical, hands-on work
- **Health, Aged Care & Education** – ideal for students passionate about helping others
- **Retail, Tourism & Hospitality** – great for confident communicators and team players
- **IT, Cyber Security & Advanced Manufacturing** – suited to tech-savvy learners
- **Marketing, Media & Design** – for creative thinkers
- **Administration, Events & Transport** – for the well-organised
- **Agriculture, Sport & Defence** – for those who like to stay physically active
- **Finance, Data & Science** – perfect for students with strong maths skills

Whether students had a clear plan or were just starting to think about their future, the Careers Expo provided valuable insights and inspiration for the road ahead.

We would like to extend our gratitude to the Shire of Boddington, Newmont, Boddington Community Resource Centre and all the volunteers.
