CWA DONATION HELPS EQUIP OUR CLASSROOMS

The **Quindanning–Boddington Country Women’s Association** has once again demonstrated the strength of community spirit in our region through a generous donation to support students at our school.

The branch kindly offered to provide **\$200 worth of school supplies**, ensuring our classrooms have additional resources that directly support student learning. Practical support such as this makes a real difference in schools, helping to ensure students have access to the materials they need to participate fully in their learning.

The **Country Women’s Association of Australia** has a long and proud history of supporting rural and regional communities, and this contribution is another example of the positive impact the organisation continues to have locally. Acts of generosity like this strengthen the connection between school and community and remind us how fortunate we are to live in a place where people look out for one another.

We would also like to extend our sincere thanks to **Officeworks in Cannington**, for their generous discount on the supplies. Their support has helped maximise the value of this donation, allowing even more resources to be purchased for the benefit of our students.

On behalf of our staff, students and families, we extend our heartfelt thanks to the Quindanning–Boddington CWA and Officeworks Cannington for their kindness and ongoing support of our school community. Their generosity is very much appreciated.
