BDHS POSITIVE BEHAVIOUR EXPECTATIONS

Strive
Do your best.

Considerate
Be caring and mindful of others.

Responsible
Do what is expected and own
your actions.

► From the Principal

END OF TERM 1

As we mark the end of this term, we take a moment to acknowledge two significant milestones within our school community.

We extend our heartfelt gratitude to Andrea Andrews on the occasion of her retirement after eighteen years of dedicated service with the Department of Education. Throughout her time, she has shown unwavering commitment to the wellbeing, inclusion and educational growth of our students. Her care, patience and quiet strength have made a lasting impact on countless children, families and colleagues. She has been a trusted and valued member of our team, and her contribution to our school community will not be forgotten.

We also recognise Danielle Roache as she takes the next step in her professional journey through promotion after eight years of outstanding leadership at our school. Her dedication to fostering a positive school culture, supporting staff, and ensuring every student has the opportunity to succeed has been evident in all that she has done. Her leadership has guided the school with purpose, compassion and a strong focus on continuous improvement.

While we are sad to see them both move on, we celebrate their achievements and the legacy they leave behind. We thank them sincerely for their service, dedication and the difference they have made to our school community, and we wish them every success and happiness in the future.

The school honoured both the Andrea Andrews and the Danielle Roache at a special assembly, where the school choir beautifully serenaded their farewell.

BDHS SWIMMING CARNIVAL 2026

On Friday 20 March, we held our annual Faction Swimming Carnival at the town pool, which proved to be a highly enjoyable and successful day. Despite the warm conditions, students enthusiastically participated in a wide range of events, demonstrating a **responsible** approach and a positive competitive spirit.

It was particularly pleasing to see students **strive** to achieve their best for their faction while also being **considerate** in the way they supported and encouraged one another throughout the day.

Congratulations to Bannister, who were the overall winners with 648 points. Hotham finished in second place with 607 points, followed by Crossman on 446 points. Bannister (266 points) took out the Secondary Shield, while Hotham (454 points) were awarded the Primary Shield.

A sincere thank you to the parents, families and community members who attended to support the students and assist with timing throughout the day. We also extend our appreciation to the volunteers from Newmont and South32, along with our parent and carer helpers, for their **responsible** support with set-up, event coordination and pack-down.

We are grateful to the Shire of Boddington for their ongoing support in helping make the day such a success.

 **EASTER RAFFLE**

The P&C are once again running our famous Easter Raffle and we need your help! We are asking each family to donate easter eggs or anything easter related to include in our hampers! More donations means more prizes!

Please take all donations to the front office by Wednesday the 25th of March!

Raffle tickets are \$2 each and all families will receive a book of tickets to sell. All proceeds from these sales will be going towards replacing older play areas at the school.

THE RAFFLE WILL BE DRAWN THURSDAY 2ND APRIL
